A Message from the Chairman of the Little Brickhill Parish Council

Who could have imagined just a month ago that we would be thrust into what seems like a dystopian movie? Who could have imagined that toilet paper could have become such a popular topic for discussion?

It is a very difficult time as many of us are in some form of isolation and at the very least keeping our distance from our family, friends and neighbours. However, it is really heart-warming to know that the village has such a strong community spirit; a huge thank you to Alison Packer for mobilising the volunteer force to help those who are unable to go shopping and a very big thank you to the volunteers themselves. The contact number for the Supporters' Group is 01525 261569 or 07747 441704 or via email alison.packer@outlook.com.

It is vital that we keep in touch with the vulnerable, the elderly and those who cannot get out and about – a phone call may be very welcome and better still a FaceTime call, even a wave through the window just to let them know that we care.

The April 2020 Parish Council meeting is cancelled as is the Annual Village Meeting in May 2020 but the Chair's report will be published on this website.

Stay safe and stick to the rules and hopefully we will come through this physically, if not emotionally, unscathed.
